### Practice and revision tools to help you pass

To order anything on this leaflet please use the order form overleaf.

**Alternatively, please call Customer and Student Services on  
+44 (0)1227 818609.**

This leaflet contains information for the optional study materials available to help you prepare for your exam. While none of these should be considered an alternative to studying the workbook, included as part of your registration fee, they are all designed to help reinforce your learning and develop good exam practice.

We are constantly looking to develop more study support options. Please call the above number if you have a question about the availability of materials for the module you are studying. Please see the order form for details of all prices.

### Revision notes – CeFA® and CeMAP® only

**Available for CeMAP® 1 and 2 and CeFA® 1, 2 and 3.**

Summary versions of the study manuals that serve as a quick reference to all the main syllabus topics. The revision notes also contain end-of-topic knowledge tests.

**To book your exam  
call 0870 608 1915**

### Audio revision – CeMAP® 3

This CD-based tool has been developed in association with audio learning specialists Glacierpoint. It is based on a series of scenario-based interviews and discussions between various parties involved in the process of advising upon and regulating mortgages and the process of buying property. It draws on themes from the full syllabus for CeMAP® with an emphasis on finding solutions to particular situations. It is therefore recommended for those preparing for CeMAP® 3.

### Specimen papers – All qualifications

These are complete ‘mock’ exam papers each containing the same number and types of questions that appear in the real exam. Each paper is a fair reflection of the live questions that you will encounter in the exam itself in terms of style, difficulty and topic weighting.

**CeFA®/CeMAP®** – Three separate specimen papers are available for CeFA®/CeMAP® 1, 2 and CeFA® 3 and 4. Please ask for papers A, B or C. There are two specimen papers available for CeMAP® 3 A and B.

**CeRGI®** – Three specimen papers, please ask for A, B or C.

**CeRER, CeCM, CeRCH, ARL, CSP and CeSRE** – Single specimen papers available.
